# 1000-HR SERVICE SPECIAL

ONLY **\$750** FOR LABOR  
AND GET **10% OFF** PARTS

## GET IT DONE

Occupational Safety & Health Administration (OSHA) states that “Scheduled maintenance is critically important to the safe operation of your vehicle. Never operate a forklift requiring maintenance, and always report repair problems to your supervisor.”

Eliminate downtime and save on repair costs by keeping your lift trucks up to speed. SCMH's maintenance specials are designed to keep your equipment ready for uptime!

Promo is applicable to capacities 3,000-6,000 LBS.
