## DIFFERENTIAL SERVICE SPECIAL

Only **\$179** +TAX  
PARTS & LABOR INCLUDED

Differentials are critical to the transfer of torque to the wheels particularly when loaded forklifts make turns. Performing service on differentials are important not only for the upkeep of the equipment but for the safety of the operators.

Eliminate downtime and save on repair costs by keeping your lift trucks up to speed. SCMh's maintenance specials are designed to keep your equipment ready for uptime!

### WHAT WE PERFORM

DRAIN & REFILL DIFFERENTIAL

Promo is applicable to capacities 3,000-6,000 LBS.
